

Friday March 13, 2020

North Lambton Childcare Centre is taking the necessary precautions to protect the health and safety of the children, staff and families. The NLCC Board of Directors has determined that the best way to keep children, families and our vulnerable population safe is to close the child care centre at the end of day March 13, 2020 and reopen on April 6, 2020.

The local School Boards announced today that schools are closed to child care programs until they re-open on April 6, 2020.

It was also announced today that all Lambton County EarlyON Child and Family Centres are closed and will reopen on April 6, 2020.

We know that this may cause undo hardship for your families. We appreciate your understanding and support for the children's health and well-being.

More information will be shared with you as it becomes available.

Sincerely,

Claire Giles  
Executive Director  
North Lambton Childcare Centre
